EDUCATION

M.Sc. Computer Science
IU International University of Applied Sciences
10/2023 – Current | Berlin, Germany
Grades: 1.90 (German Grading Scale)

Bachelor of Computer Applications (BCA)
Graphic Era Hill University
08/2020 – 07/2023 | Haldwani, India
Grades: 8.51 / 10

PROJECTS

Tonerdaten - Web platform for Printers and Toners ⧉
Next.js, Tailwind CSS, TypeScript, Sanity
Development of a comprehensive web platform for searching for toners and printer cartridges, including specifications and compatibility checks. Implementation of a high-performance front end with a modern technology stack and integration of a structured headless CMS.

City Furnish - E-Commerce Mobile App (iOS & Android) ⧉
React Native, Styled Components, Axios
Development of a mobile e-commerce application for renting and purchasing furniture. Implementation of key functions such as product presentation, category search and user flow. Integration of a secure payment gateway for the checkout process and provision of stable builds for the App Store and Play Store.

react-native-linear-gradient-button - NPM Package ⧉
React Native, JavaScript, npm
Development and publication of a reusable UI component as a public NPM package. Implementation of a configurable React Native button with linear gradient support, including documentation and package versioning.
